

SOLUTIONS PMG Inc.
PROJECT MANAGEMENT GROUP

Engineered Solutions and Innovative Technology Designed to Improve Your Material Handling and Conveying Needs

Solutions PMG is a process design and project management company focused on providing industry with innovative technology and manufacturing process solutions. We have the unique ability to provide a single source for engineering, design, fabrication and the installation of complete turn key process solutions.

The core component of *Solutions PMG* is comprised of a team of senior engineers and project managers. We employ a unique strategy of bringing together industry leading manufacturers with experienced engineering associates, to design and implement new technology. This integrated structure will enable our clients to enhance their process management and improve their productivity, safety and profitability.

Areas of Expertise Include

- Material Handling & Storage
- Storage Bins, Silos, Hoppers
- Scale Hoppers & Conveyers
- Automated Sorting System
- Palletizing - Pal & De-pal
- Stacking & Rack Systems
- Elevating & Lift Systems
- Belt Conveyers
- Bucket Elevators
- Drag Conveyers
- Screw Feeders, Augers
- Overhead and Custom
- Turn Heads
- Skip Hoists, Dumpers
- Packaging
- OSHA Requirements
- Pre-Start Safety Reviews
- Structural Designing

871 Victoria St N, Suite 203 • Kitchener, Ontario, Canada • N2B 3S4
Tel: (519) 576 - 7728 ♦ Fax: (519) 576 - 0873

BENEFITS OF OUR EXPERTISE

Solutions PMG have extensive experience designing custom material handling & conveying systems. We will provide a complete turn key solution that is specifically designed based on your requirements.

The Benefits of Our Expertise Are Clear!

- √ Extensive Equipment & Industry Experience
- √ Improved Process and Quality Assurance
- √ Minimize Production Downtime
- √ Single Source Responsibility
- √ Reduced Project Time & Cost
- √ Maximize your Return on Investment

SERVICES PROVIDED

- Engineering Services
- Project Management
- Manufacturing
- Quality Assurance
- Pre-Start Health & Safety Reviews (PHSR)

AREAS OF EXPERIENCE/EXPERTISE

- | | |
|---------------------------------|---------------------|
| • Aggregate & Concrete Batching | • Steel Mills |
| • Cement and Building Materials | • Mining & Minerals |
| • Food Industry | • Automotive |
| • Meat Processing | • Other |
| • Feed & Pet Food | |

ENGINEERING

- **Solutions PMG Inc.** offers a single source for the concept and final design of individual units, or a complete integrated system customized for your specific needs
- Solutions PMG Inc. will provide industry specific engineers to prepare conceptual, design and detail drawings
- All drawings are prepared with the latest version of Autocad , with 3-D capability
- Consultants & Substrates are Members of the Association of Professional Engineers of Ontario

PROJECT MANAGEMENT

- Define the project parameters
- Generate feasibility studies to support project parameters
- Develop plant and process conceptual design
- Prepare budget estimates for project
- Prepare project scheduling to minimize downtime
- Obtain required approvals, licenses and permits
- Prepare, issue and review tenders, quotations and contracts

MANUFACTURING

- Ready access to a diverse group of high quality equipment manufacturers with state of the art equipment
- Source, pre-qualify and select subcontractors to ensure their expertise matches the specific requirements of the project
- Audit subcontractors' quality control programs to ensure equipment and installation will meet or exceed project specifications
- Monitor subcontractors production schedules to ensure delivery dates will be achieved

SOLUTIONS PMG INC.

Material Handling & Conveying Systems

QUALITY ASSURANCE

- Ready access to a professional project management team to ensure that planning, scheduling and the implementation of tasks is performed with the highest of standards
- **Solutions PMG** have project managers with extensive in-plant & on-site expertise
- We pre-qualify and audit our sub-contractor's quality programs to ensure they meet or exceed specifications
